Memo No.:- T/APP/_CM Grievances/2015/279

Date: 6-12-16

Subject: Approval of Contract Bond of Apprentices engaged after passing NCVT as private candidates - Eligibility for appearing Apprenticeship Final Exam.

In reference to the subject cited above.

A complaint dated 22.09.2016 on C.M. Grievances portal has been received from candidates namely Mr. Ashu and Mr. Deepak Raja appointed as apprentices in UHBVN Jhajjar that they are not being permitted to appear in the apprenticeship exam even after completing 2 years of apprenticeship training in Lineman trade after passing Electrician Trade under SCVT and passing NCVT exam as private candidate. The copy of this complaint is enclosed herewith for your information and necessary action.

The matter has been examined at Head Quarter. The Directorate vide letter dated 21.06.2011 and 25.08.2011 had allowed the engagement of the candidate as apprentices, who have passed NCVT exams as a private candidate for apprenticeship training. Later on finding this decision in contravention to the Apprenticeship Act, these orders have been withdrawn by Directorate letter dated 18.06.2015, without resolving the fate of the apprentices already engaged and undergoing training under previous decision. The complainant candidates who were engaged in October 2014 have now completed their 2 year apprenticeship training in October 2016 and now demanding the permission to appear in the final apprenticeship examinations.

As per apprenticeship Act, the rebate in apprenticeship training period can be granted only if the candidate have obtained regular training in 16 SCVT trades notified in year 2004 under clause 6 (aa) of the Act and the trades under NCVT as per clause 6 (a) of the Act.

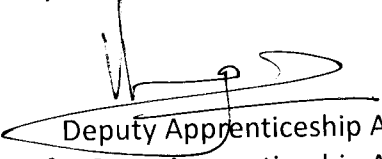

The apprenticeship in Lineman trade after passing SCVT certificate in Electrician trade do not cover under these provisions and rebate of one year in total apprenticeship training period of 3 years, cannot be allowed. As such the complainants who

have passed NCVT Electrician as private candidates cannot be allowed to appear in apprenticeship exam after completing 2 years apprenticeship training in Lineman. However, in order to save two year apprenticeship training already undergone by the complainants, the extension in the apprentice period for another one year is hereby allowed by treating them as a fresher trainee, enabling them to appear in final exam after successful completion of training for the period as prescribed for a fresher trainee.

Therefore, you are directed to review the contract bonds of all such apprentices, engaged after passing exam under SCVT in trades not covered in notification in year 2004 and passed NCVT exams as private candidate, instruct the establishments to inform all such trainees that the rebate in apprenticeship training period is not permissible to them and they can only be treated as fresher trainee for making them eligible for appearing in apprenticeship final exam and instruct the Superintendent Engineer, UHBVN Jhajjar and Executive Engineer UHBVN, Jhajjar to rectify the Contract Bond for these trainees, for the period as prescribed for fresher trainees, so that the grievance of complaints can be disposed of.

This is for information and immediate necessary action please. Action taken report must be sent to Head Quarter within seven days through e-mail.

D.A. :- As above
