Dated: 20.10.2015

Subject: CII national Conference on Skill Development - Regarding

In reference to Confederation of Indian Industry (CII) dated: 12.08.2015, it is informed that Confederation of Indian Industry is partnering Wheebox (Global online Talent Assessment Company) to build & publish the "India Skills Report 2016". This is the third successive scientific and validated report available on Indian Skill and jobs demand based on Pre-Employment Assessment & Job Survey conducted in partnership by CII, Wheebox, LinkedIn, Association of Indian Universities and People strong. The outcome of the report will be published at 'CII National Conference on Skill Development' in presence of eminent Government and Industry dignitaries.

To make the report successful requested by them to kindly support by assigning a nodal authority to conduct "Wheebox Employability Skill Test" in your state and Institutions and allocate required infrastructure for this validated and reliable test tool. The test measures major competencies of the candidates for employability and the outcome of the test will help the Institution to identity core strengths and improvement areas of candidates in the form of a transcript and jointly endorsed certificate. For the year 2016 all participating candidates will have a free access to Learning content, employment notices and automated profiles from our partner.

Confederation of Indian Industry will also award most participative States, Companies and Educational Institutions at "CII National Conference on Skill Development." For participation to register at www.wheebox.com/register and fill in the details in the order for the CII.

In this context you are appointed as Nodal authority to conduct the employability test and also directed to allocate required infrastructure for this validated & reliable test tool.

An early action is required & send feedback to directorate.
