Memo No.: KC/T/App/Target/2017/ 657 Date: 11-05-2017

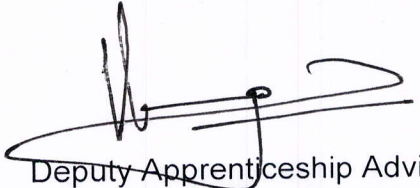

Subject: Requirement of ITI pass certificate for engagement of apprentices.

Kindly refer to the subject cited above.

It has come to the notice that establishments are engaging apprentices, based on the ITI pass certificates prepared and issued on plain paper, by the Principals of the Pvt./ Govt. ITIs in the State. The Apprenticeship Portal makes it compulsory that either the provisional certificate or original pass Certificate, in the prescribed format under NCVT/ SCVT, issued by the department, having serial number and registration number, must only be used for engaging the apprentices and approving the contract bonds. In addition, original detail marksheets for passing all semesters/ year(s) of the course, issued by this department, can also be used for this purpose.

In view of the above, you are directed to bring this in the notice of all establishments with the direction to engage only those candidates as apprentices who are having ITI pass certificate, either provisional or original, in the prescribed format issued by the department and no apprentice be engaged on any certificate issued on plain paper or letter head of any Govt. / Pvt. Institute.

This is for information and strict compliance.
