Memo No.: T/Placement/portal/2016/ 206

Date: 17.11.16

Subject: Registration of companies and candidates on Placement Portal.

Kindly refer the subject cited above.

As you are aware that Ministry of Skill Development and Entrepreneurship, GoI has developed a portal www.ncvtmis.gov.in for uploading the data of Craftsman Training Scheme, Apprenticeship Training Scheme and placement of candidates. The placement portal provides the facility to the candidates for registration, uploading profile and search suitable companies registered on portal, for their recruitment. Similarly, portal also provides the facility to the companies to get them registered on portal, to search the suitable candidates, send interview letters and offers of appointments, online through portal.

It has been observed that the companies aspirant for recruitment of ITI passed candidates and the ITI passed candidates seeking jobs in companies are not being registered on the placement portal. The Principal of the Govt. ITI's are required to play a vital role in this regard.

In view of the above, you are directed to

- a) to make immediate efforts to get the companies and candidates registered on placement portal.
- b) to ensure that the companies and candidates participating in the job fair are registered on the portal.
- c) to upload the placement data on the portal after conducting the job fair.

It must be treated as most urgent.
